November 2023

HHES News

Lesley Stepney, *Principal*
Rorrie Fortier, *Assistant Principal*

Attendance Matters

We want to thank you for attending parent conferences. We hope that you were able to speak with your child's teacher and discuss goals for quarter two. We also want to highlight and encourage students to attend school regularly. The goal for every student and every BCPS school is 94%. We are currently at 92%. We know that there are times when students have to miss because of an appointment, not feeling well, or family emergencies; however, we ask that you provide documentation when your child is out. This will help us to maintain accurate attendance and record it appropriately.

American Education Week

We want to also thank all of our families who participated during American Education Week. We hope you had an opportunity to see your child's teacher engage students in learning activities that increase their knowledge and understanding of key concepts and ideas on all subject matter. The teachers of Harford Hills are committed to teaching your child and getting them ready for the next phase of their educational journey. Please drop your child's teacher a line or two in an email to let them know about the good things you saw during your visit. The home-school connection is critical to your child's growth and development and an integral part of their educational success. We appreciate the continued partnership and support.

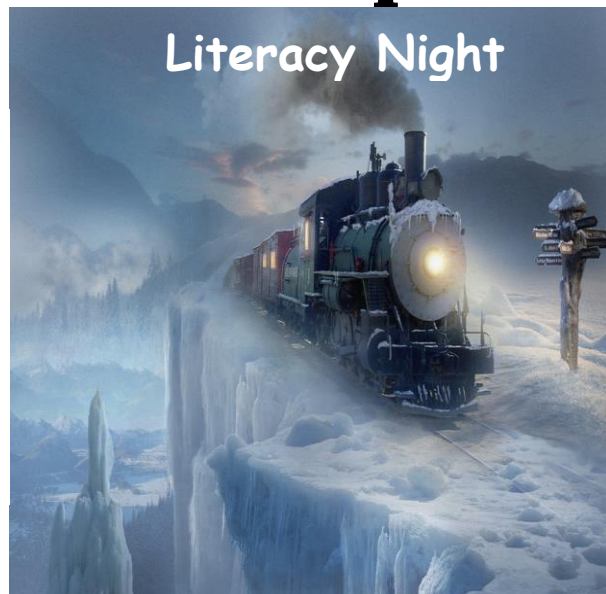

We want to wish all of our families a wonderful, safe, and enjoyable holiday. We hope that you are able to connect with family and friends during this joyous season.

If you have any questions or concerns, please contact our main office at 443-809-5236.
